

Together, let's bring God's hope and life to the street children of Bolivia through Operation Restoration, MBC's special overseas mission partner.

Members of the MBC congregation are invited to take out a standing order for just a few pounds each month. When all these gifts are added together, and the tax is added under Gift Aid, MBC can make a real difference - in Jesus' name!

Can my small monthly gift do any good? Yes, it certainly can!

There are around 40 children and young adults in the homes run by Operation Restoration. Each month, for each child, the costs are these:

Health care and hygiene	£25
Clothing	£10
Education and school uniform	£27
Food	£74
Other costs (electricity, transport, etc)	£55
Total	£191

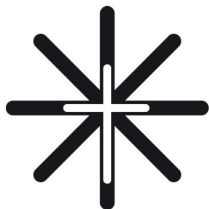

Together, by giving lots of small monthly sums of money through MBC, we can donate enough to support one child, or two children, or three, or more!

Please use the standing order form that comes with this leaflet. Remember, even a few pounds a month will make a real difference - without making a big dent in your normal finances.

**Let's bless the street children of Bolivia!
Thank you!**

For the street children of Bolivia, this can be a time of hope and new life.
