

Together, let's bring God's hope and life to the street children of Bolivia through Operation Restoration.

We're invited to take out a standing order for just a few pounds each month. When all these gifts are added together, and the tax is added under Gift Aid, MBC can make a real difference in Jesus' name!

Can my small monthly gift do any good? Yes, it certainly can!

There are around 35 children and young adults in the two homes run by Operation Restoration. Each month, for each child, the costs are these:

Medicines	£5
Clothing	£5
Education and school uniform	£10
Food	£35
Other costs (electricity, transport, etc)	£25
Total	£80

Together, by giving lots of small monthly sums of money through MBC, we can donate enough to support one child, or two children, or three, or more!

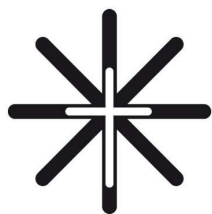

Please use the standing order form inside this leaflet. Remember, even a few pounds a month will make a real difference - without making a big dent in your normal finances.

**Let's bless the street children of Bolivia!
Thank you!**

For the street children of Bolivia, this can be a time of hope and new life.
